Schutzhülle aus Polyester, dunkelgrau

Besonderheit: 5 Jahre Herstellergarantie auf Struktur und 15 Jahre auf das Tuch bei Einhaltung der Tuuci-Pflegehinweise

## Produktbeschreibung

---

Der Ocean Master MEGA MAX Classic von TUUCI ist ein Premium-Sonnenschirm für großflächigen Schatten und anspruchsvolle Außenbereiche. Mit einer Spannweite von 4,9 × 4,9 Metern vereint er elegantes Design, ausgereifte Technik und außergewöhnliche Stabilität. Dieses Modell wurde speziell für den professionellen Einsatz entwickelt und ist ideal für Hotels, Gastronomie, Bildungseinrichtungen sowie repräsentative private Projekte.

### Stärke und Langlebigkeit

Der robuste 13,3 cm Mast mit Vier-Kanal-Extrusion aus Marine-Aluminium sorgt für höchste Stabilität. Der Schirm hält Windgeschwindigkeiten bis zu 72 km/h stand und widersteht Windböen bis 120 km/h. Dank seiner wartungsfreundlichen Konstruktion überzeugt der MEGA MAX durch eine besonders lange Lebensdauer, die zugleich die Umweltbelastung reduziert.

### Präzision im Detail

Das patentierte Vision-Hub-Design aus Edelstahl garantiert maximale Haltbarkeit und ein schlankes Erscheinungsbild. Rippen mit 5,1 cm Durchmesser bieten verstärkte Stabilität und tragen das großflächige Schirmdach sicher. Jede Komponente ist auf Langlebigkeit und Belastbarkeit ausgelegt.

### Komfortable Bedienung

Der integrierte Teleskopmast ermöglicht das problemlose Öffnen und Schließen über Möbel hinweg. Das EasyDrive-Kurbelsystem mit selbstschmierendem Spindelmechanismus gewährleistet eine mühelose Handhabung, auch bei dieser außergewöhnlichen Schirmgröße.

### Individuelle Optionen

Für zusätzlichen Komfort lässt sich der MEGA MAX mit Ambia LED-Beleuchtung (dimmbar, Up- und Downlight) oder leistungsstarken Infrarot-Heizstrahlern ausstatten. Dadurch wird der Außenbereich unabhängig von Tageszeit und Jahreszeit zu einem exklusiven Aufenthaltsort. Der TUUCI Ocean Master MEGA MAX Classic 4,9 × 4,9 m ist die perfekte Wahl für Projekte, die höchste Ansprüche an Qualität, Funktionalität und Design stellen.
