Produktbeschreibung

Der Ocean Master MEGA MAX Classic 6,0 m von TUUCI ist die Krönung moderner Sonnenschirmtechnik. Mit einer imposanten Spannweite von 6 Metern gehört er zu den größten Premium-Sonnenschirmen weltweit und setzt ein architektonisches Statement im Außenbereich. Er richtet sich an anspruchsvolle Projekte, die nicht nur funktionalen Sonnenschutz suchen, sondern ein sichtbares Symbol für Luxus und Exklusivität schaffen möchten.

Dimensionen, die beeindrucken

Mit 6 Metern Spannweite bietet der MEGA MAX Classic eine Beschattungsfläche, die weit über herkömmliche Maßstäbe hinausgeht. Der massive 13,3 cm Mast aus Marine-Aluminium mit Vier-Kanal-Extrusion verleiht dem Schirm außergewöhnliche Stabilität. Selbst bei Windgeschwindigkeiten bis zu 72 km/h und Böen bis zu 120 km/h überzeugt er durch Standfestigkeit und Sicherheit. Dieses Maß an Robustheit macht den MEGA MAX Classic 6,0 m zu einer Referenz im Luxussektor.

Premium-Design in jedem Detail

Das exklusive Vision-Hub-Design aus Edelstahl garantiert eine schlanke Optik und gleichzeitig maximale Belastbarkeit. Die extra verstärkten Rippen mit 5,1 cm Durchmesser tragen das monumentale Schirmdach sicher und zuverlässig. Jedes Detail ist auf höchste Langlebigkeit ausgelegt – ein Qualitätsstandard, der TUUCI weltweit an die Spitze der Luxus-Sonnenschirme setzt.

Komfort trotz Größe

Trotz seiner eindrucksvollen Dimensionen lässt sich der 6,0 m MEGA MAX Classic mühelos bedienen. Der integrierte Teleskopmast ermöglicht das Öffnen und Schließen über Möbel hinweg. Das EasyDrive-Kurbelsystem mit selbstschmierendem Spindelmechanismus sorgt für eine komfortable Handhabung, die den Premium-Anspruch auch in der Nutzung widerspiegelt.

Luxuriöse Erweiterungen

Optional lässt sich der Sonnenschirm mit der dimmbaren Ambia LED-Beleuchtung (Up- und Downlight) sowie leistungsstarken Infrarot-Heizstrahlern ausstatten. So verwandelt sich der Schirm in ein multifunktionales Outdoor-Highlight, das zu jeder Tages- und Jahreszeit höchsten Komfort bietet.

Das ultimative Statement

Produktinformation

Der Ocean Master MEGA MAX Classic 6,0 m ist weit mehr als ein Sonnenschirm – er ist ein architektonisches Wahrzeichen für Außenbereiche, in denen Luxus, Exklusivität und Design auf höchstem Niveau gefragt sind. Nur wenige Projekte weltweit verfügen über Schirme dieser Dimension, was ihn zu einer wahren Rarität macht. Wer diesen Schirm wählt, entscheidet sich für das Maximum an Prestige und Individualität im Outdoor-Living.
